

### EDUCATION

|  |           |
|--|-----------|
| <b>University of Missouri-Kansas City (UMKC)</b><br>BA Liberal Arts— <i>Summa Cum Laude</i> , GPA 4.0                | 2000-2002 |
| <b>University of Missouri-Kansas City School of Medicine</b><br>Doctor of Medicine— <i>Magna Cum Laude</i> ; GPA 4.0 | 2002-2006 |
| <b>Harvard Medical School</b><br>Certificate Program in Surgical Leadership  | 2019-2021 |

### SURGICAL TRAINING and WORK HISTORY

|   |              |
|---|--------------|
| <b>The Johns Hopkins University/University of Maryland</b><br>Intern - Integrated Residency in Plastic and Reconstructive Surgery         | 2006-2007    |
| <b>The Johns Hopkins University/University of Maryland</b><br>Resident - Integrated Residency in Plastic and Reconstructive Surgery       | 2007-2012    |
| <b>The Johns Hopkins University/University of Maryland</b><br>Chief Resident - Integrated Residency in Plastic and Reconstructive Surgery | 2012-2013    |
| <b>Manhattan Eye, Ear and Throat Hospital/Lenox Hill Hospital</b><br>Fellow – Aesthetic Plastic Surgery Fellowship                        | 2013-2014    |
| <b>LUXURGERY – Private Practice Aesthetic Plastic Surgery</b><br>Founder  | 2014-current |

### ACADEMIC FACULTY APPOINTMENTS

|   |              |
|---|--------------|
| <b>Washington University – St. Louis School of Medicine</b><br>Associate Clinical Professor<br>Department of Surgery – Division of Plastic and Reconstructive Surgery | 2021-current |
|---|--------------|

### LICENSURE AND CERTIFICATIONS

1. Board Certification – **American Board of Plastic Surgery**  
Certificate Number: 9049
2. Medicine and Surgery, Education Department-Office of the Professions (New York)  
License Number: 269516-1      Issue Date: 04/04/2013      Expiration Date: 12/31/2024
3. Physician and Surgeon, Medical Board of California-State of California  
License Number: 154850      Issue Date: 03/21/2018      Expiration Date: 01/31/2026
4. Physician and Surgeon, Department of Health-Division of Medical Quality Assurance (Florida)  
License Number: ME-139135      Issue Date: 01/31/2019      Expiration Date: 01/31/2025

**SCHOLARSHIPS and AWARDS**

1. **UMKC Academic Excellence Award and Scholarship** 2000-2002
2. **Bright Flight Missouri Scholar** 2000-2004
3. **UMKC Research Day Honors** for research presentation 2003
4. **National Dean's Honor List** 2004
5. **National Chancellor's Honor List** 2005
6. **Flarsheim Merit Academic Scholarship** for research presentation 2005
7. **Sarah Morrison Research Grant** for dedication to clinical and basic science research 2005
8. **Johns Hopkins/University of Maryland Plastic Surgery Resident Research Award** 2011  
for best research paper/podium presentation
9. **Dunkin' Donuts Local Hero Award** national award for community service in 2012  
Greater Baltimore/Washington D.C. area
10. **American Society of Plastic Surgeons—Senior Residents Conference** 2012  
**Best Research Paper/Podium Presentation (Aesthetic)**
11. **American Society of Aesthetic Plastic Surgeons—Annual Meeting** 2013  
**Gaspar W Anastasi Award for Best Research Paper/Podium Presentation**
12. **Johns Hopkins/University of Maryland Plastic Surgery Resident Teaching Award** 2013  
for dedication to resident and medical student education
13. **The Aesthetic Surgery Education and Research Foundation—Annual Meeting** 2014  
**Allergan Foundation Scholarship**
14. **The Aesthetic Channel – The Aesthetic Show Awards** 2019  
Best Overall Patient Enhancement
15. **The Aesthetic Channel – The Aesthetic Show Awards** 2019  
Best Surgical Facial Rejuvenation Enhancement
16. **Miami Cosmetic Surgery - Maverick Award** 2020  
Best Presenter in Session (Facial Injectables – Fillers in the Nose)
17. **Castle Connolly – Top Doctors National Award** 2022-Present  
Castle Connolly Top Doctors – Plastic Surgery
18. **Vegas Cosmetic Surgery - Maverick Award** 2023  
Best Presenter in Session (Drainless Tummy Tuck - Advanced Body Contouring)

### LECTURES

1. **Plastic Surgery Grand Rounds** 2008  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: The Role of Antineoplastic Agents in the Management of Keloids and Hypertrophic Scars
2. **Plastic Surgery Grand Rounds** 2010  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: The Psychology of Patients Undergoing Plastic Surgery
3. **Hand Surgery Grand Rounds** 2010  
Union Memorial Hospital-The Curtis National Hand Center  
Topic: Free Toe, Webspace, and Extensor Digitorum Brevis Flaps
4. **Plastic Surgery Grand Rounds** 2010  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: EBM vs EBM: Evidence Based Medicine versus Experience Based Medicine in Plastic Surgery-Part I
5. **Plastic Surgery Grand Rounds** 2011  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: EBM vs EBM: Evidence Based Medicine versus Experience Based Medicine in Plastic Surgery-Part II
6. **Plastic Surgery Grand Rounds** 2011  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: Venous Thromboembolism in Plastic Surgery
7. **Plastic Surgery Grand Rounds** 2012  
Walter Reed National Military Medical Center Bethesda  
Topic: The Psychology of Patients Undergoing Plastic Surgery
8. **Plastic Surgery Grand Rounds** 2012  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: Current Procedural Terminology (CPT) Coding in Plastic Surgery
9. **Plastic Surgery Grand Rounds and Resident Education** 2012  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: Evaluation and Management of Facial Trauma

10. **Plastic Surgery Grand Rounds** 2012  
The University of Maryland-School of Medicine  
Topic: Evaluation and Management of Pressure Sores
11. **Plastic Surgery Grand Rounds** 2013  
The Johns Hopkins Hospital-School of Medicine/University of Maryland-School of Medicine  
Topic: Acellular Dermal Matrices in Head and Neck Reconstruction
12. **Plastic Surgery Grand Rounds** 2013  
Lenox Hill Hospital/Manhattan Eye, Ear and Throat Hospital  
Topic: EBM vs EBM—Evidence Based Medicine vs Experience Based Medicine in Plastic Surgery: The Role of Closed Suction Drains in Aesthetic Plastic Surgery—  
An International Survey and Systematic Review of the Literature
13. **Plastic Surgery Grand Rounds** 2014  
New York Medical College/Westchester Medical Center  
Topic: EBM vs EBM—Evidence Based Medicine vs Experience Based Medicine in Plastic Surgery: The Role of Closed Suction Drains in Aesthetic Plastic Surgery—  
An International Survey and Systematic Review of the Literature
14. **Plastic Surgery Grand Rounds** 2014  
Lenox Hill Hospital/Manhattan Eye, Ear and Throat Hospital  
Topic: The Psychology of Patients Undergoing Plastic Surgery
15. **Plastic Surgery Grand Rounds** 2015  
New York Medical College/Westchester Medical Center  
Topic: The Psychology of Patients Undergoing Plastic Surgery
16. **Plastic Surgery Symposium Saint Barnabas Medical Center** 2016  
Saint Barnabas Medical Center – Livingston, New Jersey  
Faculty Speaker for Rhinoplasty Symposium and live Kybella Demonstration
17. **Aesthetic & Anti-Aging Medicine World Congress (AMWC)** 2017  
Allergan – Real Lives, Real Vision  
Monte-Carlo, Monaco  
Faculty Speaker

### **RESEARCH GRANTS and CLINICAL TRIALS**

1. Outcomes in Staged Breast Reconstruction with Microvascular Perforator Flaps

Planned study period: 2010 Sept – 2012 Aug

Sponsor: LifeCell Corp., Branchburg, NJ

Study Type: IIT

Role: Co-Investigator

2. Pilot Study of Innervation Density Following Breast Reconstruction Evaluating the Effects of Radiation on Spontaneous Reinnervation

Planned study period: 2009 Sept – 2011 Aug

Sponsor: Safeway/ Johns Hopkins Sydney Kimmel Cancer Center Pilot Grant

Study Type: IIT

Role: Co-Investigator

3. Condition of Submental Fullness and Treatment Outcomes Registry (CONTOUR)

Planned study period: 2015 Jan – 2016 July

Sponsor: Kythera/Allergan ATX-101-15-40M

Study Type: Phase IV

Role: Principal Investigator

4. Restylane MIDFACE Volyme Study Trial

Planned study period: 2018 Sept – 2020 June

Sponsor: Galderma/Nestle Skin Health Galderma 43USV1704

Study Type: Phase III Registration

Role: Principal Investigator

5. Jowl Fat Treatment with Kybella: A Retrospective Analysis of Efficiency and Safety Based on Chart and Photograph Review

Planned study period: 2018 Jan – 2018 Dec

Sponsor: Allergan 1963-202-008

Study Type: IIT

Role: Principal Investigator

6. A Randomized Crossover Trial, Evaluating the Efficacy and Tolerability of the Alastin TransFORM Body Treatment in Combination with Submental ATX-101 (Deoxycholic Acid) Injections  
Planned study period: 2019 Aug – 2020 Jan  
Sponsor: Alastin  
Study Type: IIT  
Role: Principal Investigator
  
7. A Real World, Multicenter, Open-Label, Multiple Dose Study to Assess the Effectiveness of, and Satisfaction with, CCH Treatment of Buttock or Thigh Cellulite in Adult Females  
Planned study period: 2019 Nov – 2020 Nov  
Sponsor: Endo Pharmaceuticals EN3835-305  
Study Type: Phase IIIB  
Role: Principal Investigator
  
8. A Randomized, Evaluator Blind, No Treatment Controlled, Multicenter Study to Evaluate the Effectiveness and Safety of Sculptra Aesthetic for Correction of Cheek Wrinkles  
Planned study period: 2019 Nov – 2021 April  
Sponsor: Galderma 43USSA1812  
Study Type: Phase III Registration  
Role: Principal Investigator
  
9. Open label Extension study for 43USSA1812 (A Randomized, Evaluator Blind, No Treatment Controlled, Multicenter Study to Evaluate the Effectiveness and Safety of Sculptra Aesthetic for Correction of Cheek Wrinkles)  
Planned study period: 2021 Nov – 2022 Dec  
Sponsor: Galderma 43USSA1812ext  
Study Type: Phase III Registration  
Role: Principal Investigator
  
10. A Phase 2b, Open-Label Study to Explore Tissue Histopathology Following Subcutaneous Injection of Collagenase Clostridium Histolyticum Using an Abdominoplasty Model  
Planned study period: 2019 Dec – 2020 June  
Sponsor: Endo Pharmaceuticals EN3835-213  
Study Type: Phase IIB  
Role: Principal Investigator
  
11. A Multicenter, Randomized, Double-Blind, Placebo-Controlled Study to Evaluate the Efficacy and Safety of QM1114-DP for the Treatment of Moderate to Severe Glabellar Lines (READY-1)  
Planned study period: 2020 Jan – 2020 Dec  
Sponsor: Galderma 43QM1602  
Study Type: Phase III  
Role: Principle Investigator
  
12. A Phase 2b/3 Randomized, Prospective, Double-Blind, Within-Subject Vehicle Controlled, Multi-Center Study to Determine the Efficacy and Safety of Granexin® Gel (100 µM and 200 µM concentration) in Reducing Scar Formation in Surgical Wounds following Bilateral Anchor Incision Breast Surgery  
Planned study period: 2020 Jun – 2021 Dec  
Sponsor: FirstString Research, Inc. 2019-SCAR-01  
Study Type: Phase IIB/III  
Role: Principal Investigator

13. A Phase 2 Multicenter, Open-label, Randomized, Parallel-group, Multiple-dose study to Assess the Effectiveness, Safety and Satisfaction with Collagenase Clostridium Histolyticum Grid Technique Injections of Buttock or Thigh Cellulite with Laxity in Adult Females

Planned study period: 2020 Sept – 2021 Aug

Sponsor: Endo Pharmaceuticals EN3835-224

Study Type: Phase II

Role: Principal Investigator

14. A Double Blind, Randomized, Placebo-Controlled, 2-Cohort Phase 2b Study for Evaluating Efficacy and Safety of RZL-012 in Healthy Volunteers Undergoing Submental Fat Reduction

Planned study period: 2021 Jan – 2021 Dec

Sponsor: Raziel Therapeutics RZL-012-SMF-P2bUS-001

Study Type: Phase IIb

Role: Principal Investigator

15. A randomized, evaluator-blinded, no-treatment controlled, multicenter study to evaluate the effectiveness and safety of GAL1906 for correction of wrinkles in the décolletage area

Planned study period: 2021 Jan – 2021 Dec

Sponsor: Galderma 43USRV1906

Study Type: Phase III

Role: Principal Investigator

16. A Prospective, Multi-Center, Evaluator-Blinded Study Evaluating the Safety and Effectiveness of the Renuvion APR Device to Improve the Appearance of Lax Tissue in the Neck and Submental Region

Planned study period: 2021 Jan – 2021 Dec

Sponsor: Apyx Medical VP-1902

Study Type: Phase II

Role: Principal Investigator

17. A Retrospective Chart Review of Renuvion® Technology for Coagulation of Soft Tissue

Planned study period: 2020 Dec – 2021 Dec

Sponsor: Apyx Medical APX-21-01

Study Type: IIT

Role: Principal Investigator

18. Development of a Masseter Muscle Prominence Patient-Rated Scale with Training Photoguide

Planned study period: 2021 Jan – 2021 Dec

Sponsor: Allergan AGN1619

Study Type: Phase III

Role: Principal Investigator

19. A randomized, subject- and evaluator-blinded, controlled, non-inferiority multicenter, parallel group comparison study to evaluate effectiveness and safety of saypha® VOLUME Lidocaine for midface augmentation in order to correct volume deficit

Planned study period: 2022 Aug - 2024 Dec

Sponsor: Croma Pharma CPH-301-201417

Study Type: Phase III

Role: Principal Investigator

20. Comparator of Lipoaspirate Technology in Assessing Adipocyte Viability During Large-Volume Liposuction

Planned study period: 2021 June - 2021 Dec

Sponsor: Allergan

Study Type: IIT

Role: Principal Investigator

21. A Multi-Center, Randomized, Double Blind, Split Body Study Evaluating the Efficacy, Tolerability and Outcomes of a Topical Product Pre and Post Aesthetic Surgical Body Procedures

Planned study period: 2021 Jul - 2021 Dec

Sponsor: Alastin

Study Type: Phase III

Role: Principal Investigator

22. A Multicenter, Double-Blind, Randomized, Split-Face Study to Evaluate the Safety and Efficacy of RS001 versus Juvederm Voluma XC for the Correction of Age-Related Midface Volume Deficit at 6 and 12 Months Post-Treatment

Planned Study Period: 2021 Dec - 2024 June

Sponsor: Prolenium PRO-2019-03

Study Type: Phase III

Role: Principal Investigator

23. Phase 3b, Open-label, Single-center Study to Assess Aesthetic Improvement Following Treatment with QM1114-DP In Subjects with Moderate to Severe Lateral Canthal Lines and Glabellar Lines

Planned study period: 2023 Jan – 2023 Sep

Sponsor: Galderma QM2107

Study Type: Phase IIIb

Role: Principal Investigator

24. A Double-blind Placebo-controlled Phase 2 Study to Evaluate the Safety and Efficacy of RZL-012 Treatment in Subjects Seeking Fat Reduction in the Flanks

Planned study period: 2022 May – 2022 Oct

Sponsor: Raziel Therapeutics RZL-012-FL-P2bUS-001

Study Type: Phase II

Role: Principal Investigator

25. A Phase 2, Multicenter, Open-label, Observational Study to Assess the Durability and Safety of Collagenase Clostridium Histolyticum Injected with Grid Technique in Buttock or Thigh Cellulite with Laxity in Adult Females

Planned study period: 2022 Jan – 2022 Oct

Sponsor: Endo Pharmaceuticals EN3835-225

Study Type: Phase II

Role: Principal Investigator

26. A Multicenter, Double-Blind, Randomized, Split-Face Study to Evaluate the Safety and Efficacy of M001 versus Restylane Lyft with Lidocaine® for Cheek Augmentation and Correction of Age-Related Midface Contour Deficiencies

Planned study period: 2022 Aug – 2024 Sep

Sponsor: Prolenium PRO-2020-01

Study Type: Phase II

Role: Principal Investigator

27. Aphrodite-1: A Phase 2 Open-label, Self-controlled Study of Different Interventions to Reduce Bruising Following CCH-AEES Treatment for Cellulite of the Buttocks In Adult Females

Planned study period: 2022 Jun– 2023 Jun

Sponsor: Endo Pharmaceuticals EN3835-226

Study Type: Phase II

Role: Principal Investigator

28. A Phase 3 Multicenter, Randomized, Double-blind, Placebo-controlled Study to Evaluate the Safety and Efficacy of BOTOX® (Botulinum Toxin Type A) Purified Neurotoxin Complex for the Treatment of Platysma Prominence

Study period: 2022 Apr – 2023 Jun

Sponsor: Allergan/Abbvie M21-310

Study Type: Phase III

Role: Principal Investigator

29. Effect of Oral TXA on Buttock Bruising Post CCH Injections in Adult Females

Planned study period: 2022 Mar– 2022 Oct

Sponsor: Endo Pharmaceuticals LUX-EN-001

Study Type: Investigator Initiated Research

Role: Principal Investigator

30. Evaluating the Relevance and Appropriateness of a Newly Developed Photo-Numeric Scale for Grading of Thigh Cellulite Dimples

Planned study period: 2022 Mar– 2022 Aug

Sponsor: Endo Pharmaceuticals & Evidera EVA-32487

Study Type: Qualitative Interview

Role: Principal Investigator

31. A multi-center retrospective chart review to evaluate the safety of Sculptra Aesthetic when used in non-facial areas

Planned study period: 2022 Mar– 2022 Oct

Sponsor: Galderma 43USSA2110

Study Type: Qualitative Interview

Role: Principal Investigator

32. A randomized, evaluator-blinded, parallel group, no treatment controlled, multicenter study to evaluate effectiveness and safety of GP0109 for Jawline definition

Planned study period: 2022 Sep– 2024 Sep

Sponsor: Galderma 43BBJ1911

Study Type: II

Role: Principal Investigator

33. An Open-Label Phase 2 Study to Compare the Pharmacokinetics, Efficacy, and Safety of RZL-012 in Chinese Subjects Seeking Submental Fat Reduction vs. Non-Chinese Subjects Seeking Submental Fat Reduction

Planned study period: 2022 Jul– 2023 Apr

Sponsor: Raziel Therapeutics RZL-012-SMFC-P2US-001

Study Type: II

Role: Principal Investigator

34. Prospective Study on Fat Retention when using the AuraGen 1-2-3™ with AuraClens™ System in Processing of Lipoaspirate for Autologous Fat Grafting to the Breast

Planned study period: 2022 May– 2023 May

Sponsor: Sientra AUG-002

Study Type: II

Role: Principal Investigator

35. A Multicenter, Blinded, Randomized, Parallel-Group, Comparator-Controlled Study of the Safety and Effectiveness of HARMONYCa Lidocaine Injectable Gel for Mid-Face Soft Tissue Augmentation

Study period: 2023 May – 2024 Dec

Sponsor: Allergan/Abbvie M21-783

Study Type: Phase II

Role: Principal Investigator

36. BOTOX® (onabotulinumtoxinA) for the Reduction of Masseter Muscle Prominence: A Phase 3, Multicenter, Randomized, Double-Blind, Placebo-Controlled Study

Study period: 2023 Feb – 2024 Oct

Sponsor: Allergan/Abbvie M21-417

Study Type: Phase III

Role: Principal Investigator

37. An Open Label Phase 2 Study to Evaluate the Effects of a Local Anesthetic, Anti-inflammatory Medications and Compression Garments on RZL-012-Induced Adverse Events

Planned study period: 2022 Oct– 2023 Oct

Sponsor: Raziel Therapeutics RZL-012-SMF-SWMTG-001

Study Type: II

Role: Principal Investigator

38. Cognitive debriefing of facial line patient-reported outcome measures in FHLs and LCLs

Sponsor: Abbvie AGN1643

Study Type: Phase III

Role: Principal Investigator

39. Qualitative Evaluation of the Forehead, Glabella, Crow's Feet, Toxin

Study period: 2022 Nov – 2022 Dec

Sponsor: Allergan AGN1730

Study Type: Qualitative Interview

Role: Principal Investigator

40. A Phase 3b, Open-label, Single-center Study to Assess Aesthetic Improvement Following Treatment with QM1114-DP in Subjects with Moderate to Severe Lateral Canthal Lines and Glabellar Lines

Study period: 2023 Jan – 2023 Aug

Sponsor: Galderma 43QM2107

Study Type: Phase IIIb

Role: Principal Investigator

41. A Standalone Validation Study to Evaluate a Masseter Muscle Prominence Treatment Candidate Screening Tool

Study period: 2023 Jan – 2023 Apr

Sponsor: Allergan AGN1528

Study Type: Qualitative Interview

Role: Principal Investigator

42. A Randomized, No-Treatment-Controlled, Evaluator-Blinded, Multi-Center Study to Evaluate the Effectiveness and Safety of Restylane Contour in the Treatment of Temple Hollowing

Study period: 2023 Jan – 2023 Aug

Sponsor: Galderma 43USTH2201

Study Type: Phase III

Role: Principal Investigator

43. A randomized, evaluator-blinded, parallel group, comparator-controlled, multicenter study to evaluate the safety and effectiveness of GP0112 for cheek augmentation, midface volumization and correction of midface contour deficiencies.

Study period: 2023 Apr – 2025 Jun

Sponsor: Galderma 431US2102

Study Type: Phase III

Role: Principal Investigator

44. Qualitative Study to Understand the Burden of Platysma Prominence

Study period: 2023 Mar – 2023 Jun

Sponsor: Abbvie and Lumanity ABB1729

Study Type: Qualitative Interviews

Role: Principal Investigator

45. Qualitative study to understand Participants who have received botulinum toxin injections for their forehead lines, lateral canthal lines, and/or glabellar lines

Study period: 2023 Jun – 2023 Sep

Sponsor: Abbvie and Lumanity ABB1802

Study Type: Qualitative Interviews

Role: Principal Investigator

46. Assessment of MRI As An Objective Measurement Tool For Localized Fat Deposits In The Flanks, Abdomen, Inner And Outer Thighs

Planned study period: 2023 Jul – 2023 Oct

Sponsor: Raziel Therapeutics RZL-BS-US-001

Study Type: II

Role: Principal Investigator

47. An Open Label Phase 2 Study to Evaluate the Safety and Efficacy of a Second Treatment Session of RZL-012 into Submental Fat in Subjects Seeking Further Improvement

Planned study period: 2023 May – 2023 Dec

Sponsor: Raziel Therapeutics RZL-012-SMF-2<sup>ND</sup>-PSUS-001

Study Type: II

Role: Principal Investigator

48. A Randomized, Evaluator-Blinded, Parallel Group, Comparator-Controlled, Multicenter Study to Evaluate the Safety and Effectiveness of GP0116 For Correction of Moderate to Severe Dynamic Facial Wrinkles and Folds, such as Nasolabial Folds

Study period: 2024 Mar – 2026 Aug

Sponsor: Galderma 43N3US2204

Study Type: Phase II

Role: Principal Investigator

49. Platysma Screening Tool Study  
Study period: 2024 Mar – 2024 June  
Sponsor: Abbvie and Lumanity ABB1757  
Study Type: Qualitative Interview  
Role: Principal Investigator

50. Multicenter, Randomized, Double-blind, Placebo-controlled, Single-dose Phase 2 Study of the Safety and Efficacy of JTM201 (Botulinum toxin type A) to Treat Moderate or Severe Glabellar Lines  
Study period: 2024 June – 2025 Dec  
Sponsor: Jetema J-001-US  
Study Type: Phase II  
Role: Principal Investigator

### PATENTS

- |   |              |
|---|--------------|
| 1. <b>Breast Surgical Retractor for Silicone Gel Implant Placement #1</b><br>Submitted to USPTO, Washington, D.C., USA (Patent Pending) | 2008-Present |
| 2. <b>Breast Surgical Retractor for Silicone Gel Implant Placement #2</b><br>Submitted to USPTO, Washington, D.C., USA (Patent Pending) | 2008-Present |

### TRADEMARKS and SERVICE MARKS

| 3. <b>Surgery In a Syringe</b>            | 2017-Present |

### COMMITTEES

- |   |      |
|---|------|
| 1. <b>OR to ICU Handoff Committee —<br/>The Johns Hopkins Hospital</b><br>Housestaff representative to help facilitate efficient post-operative recovery of patients and delivery to surgery intensive care units. This was part of a hospital safety initiative. | 2007 |
| 2. <b>Plastic Surgery Website Design Team—<br/>The Johns Hopkins Hospital</b><br>Housestaff representative to help facilitate production of a website to represent the Division of Plastic and Reconstructive Surgery.  | 2008 |
| 3. <b>Plastic Surgery Education Committee—<br/>The Johns Hopkins Hospital</b><br>Housestaff representative to help establish formal education curriculum for all residents to prepare for oral and written board examinations.                                    | 2010 |

4. **Plastic Surgery Department Internal Review Committee—** 2011  
**The Johns Hopkins Hospital**  
Housestaff representative to review plastic surgery residency program to assist with maintenance of RRC accreditation.
5. **Plastic Surgery Department Resident Learning Portfolio Committee—** 2012  
**The Johns Hopkins Hospital**  
Housestaff representative to develop internet based interactive site for residents to collaborate on educational topics, securely store patient photographs/information, find landmark/CME articles, online textbooks, and grand rounds presentations.
6. **Plastic Surgery Education Network Editorial Subcommittee (Aesthetic)—** 2013-2020  
**American Society of Plastic Surgeons**
7. **Young Plastic Surgeons Steering Committee—** 2016-2018  
**American Society of Plastic Surgeons**
8. **Annual Meeting Program and Instructional Course Committee—** 2016-2021  
**American Society of Plastic Surgeons**
9. **Emerging Trends Subcommittee—** 2017-present  
**American Society of Plastic Surgeons**
10. **In-Service Exam Committee– Cosmetic Surgery Subcommittee—** 2017-present  
**American Society of Plastic Surgeons**
11. **Media Relations Committee—** 2018-2019  
**American Society for Aesthetic Plastic Surgery**
12. **Scientific Committee—** 2020-2022  
**Miami Cosmetic Surgery (MCS)**
13. **Scientific Advisory Board—** 2020  
**Vegas Cosmetic Surgery (VCS)**
14. **Aesthetic Work Group Vice Chair EdNet Editorial Subcommittee—** 2020-2023  
**American Society of Plastic Surgeons**
15. **Technology Committee—** 2020  
**Plastic Surgery Research Council**
16. **In-Service Examination Subcommittee** 2021-Present  
**Life-Long Learning (L3E) Committee—**  
**American Society of Plastic Surgeons**
17. **Program Steering Committee—** 2021-2022  
**American Society for Aesthetic Plastic Surgery**
18. **Global Engagement Committee (Chair)—** 2021  
**Aesthetic Surgery Journal (ASJ) Open Forum**
19. **Scientific Committee—** 2021  
**Aesthetic Multispecialty Society (AMS)**

## **MEDICAL CONSULTING**

### **1. Plastic Surgery Advisors**

Consultant- provide consulting services to academia, industry, and legal firms in matters related to: research protocols which are IRB approved, resident education, ACGME work-hours, work-force planning issues, and creating 501(c)(6) non-profit organizations for charitable plastic surgery missions.

### **2. Kythera Pharmaceuticals**

Consultant and Key Opinion Leader

### **3. Allergan**

Key Opinion Leader and Scientific Advisory Board Member

### **4. Manhattan Medical Research**

Principal Investigator – Manhattan Medical Research (MMR) is a multi-specialty medical research site located in Midtown Manhattan. Dr. Shridharani assists in research with some of the world's finest pharmaceutical companies and aids to uncover new treatments that may help patients better manage their healthcare. The team conducts research studies for a large variety of medical specialties including Urology, Dermatology, Gastroenterology, Endocrinology/Diabetes, Plastic Surgery, Sexual Dysfunction and more.

### **5. VoyagerMed – Board of Medical Experts**

Board Member – Member of board of medical experts selected by VoyagerMed to help deliver the highest level of care to international patients seeking plastic surgery in the United States.

### **6. Haute Beauty – Haute Beauty Brand Ambassador and Specialist for Face and Body**

Beauty Expert – Member of exclusive panel of surgical experts selected in the country for various procedures. One of two face and body cosmetic surgery experts selected by Haute Living.

### **7. GLG Consulting**

Invited Council Member – Expert Medical Consultant for GLG Consulting, which provides consulting advice to clients in Fortune 500 companies in nearly every sector, leading professional services firms and financial institutions.

### **8. The Science Advisory Board**

Invited Expert Consultant – The Science Advisory Board offers access to an exclusive community of science and medical experts. The organization prides itself on influencing the development of the next generation of research, development, manufacturing, and medical technologies.

### **9. Sientra – Scientific Advisory Board**

Key Opinion Leader and Board Member – Member of scientific advisory board selected by Sientra to discuss current and future applications of miraDry.

### **10. Guidepoint Consulting**

Invited Consultant – Expert Medical Consultant for Guidepoint Consulting, which provides consulting advice to clients in Fortune 500 companies in nearly every sector, leading professional services firms and financial institutions.

### **11. Galderma**
